10+ Ways YOU Can Help Warren's FIRST Robotics Team!

1. Monetary donations.
2. Serve as an engineering/technical mentor. Any level of involvement is welcome.
3. Serve as a non-technical mentor, or donate non-technical items to the team. This includes areas such as publicity, graphic design, web design/hosting, banners, pit display, and transportation to competitions, among other categories. All are welcome to contribute - ask us how you can help!
4. Donate the use of space for a competition-sized team practice facility.
5. Donate parts and raw materials for the robot – aluminum, polycarbonate, fasteners, chain, sprockets, etc.
6. Supply robot services: CNC machining, aluminum welding, waterjetting, etc.
7. Donate t-shirts/silk-screening, or give a discount on items.
8. Donate services, products, gift certificates, or coupons to use in a team raffle or Chinese Auction.
9. Supply meal(s) for the team during January and February (robot build season).
10. Donate food and/or beverages for the competition weekends.
11. Provide internship/employment/scholarship opportunities for team members.
12. Attend the competitions to support the team and learn more about the *FIRST* program. (Call us to set up your visit!)

You may send all donations to Warren G. Harding High School, Attn: G. Christman, 860 Elm Road NE, Warren, OH 44483. Please give us a chance to tell you more about *FIRST* and our Robotics program by calling 330.219.7848 Online information: first.neofra.com, www.delphielite.com, www.usfirst.org
